

16 Inch Round Brine Tanks

16x40 Black Brine Tank with Blow Molded Cover

16x33 Black Brine Tank with Blow Molded Cover

Clack's 16 inch blow molded round brine tanks offer a refreshing look in the residential brine tank field.

Durable materials and the latest in plastic processing technology provide trouble-free performance.

Advantages:

- Blow molded from high-density polyethylene to give exceptional environmental stress-crack properties providing years of trouble-free service.
- All round brine tanks are individually shipped in a durable reshipper carton.
- Optional injection molded grid promotes uniform brining and reduced salt bridging.

16" Black Injection Molded Cover

If Clack assembles the brine tank the cover if chosen will be assembled on the brine tank. If brine tank not assembled please order cover separately.
